PROFESSIONAL'S DRAM

HAKUSHU 12 YEAR OLD 25

Residing in the forests of Mt. Kaikomagatake, Hakushu Distillery aims to showcase the terroir of the landscape around them. The 12 year old is a perfect expression of the forest around them; delicate smoke and ripe green fruit.

Herbaceous / Light Smoke / Green Apple

LEGENDARY DRAM (25ML)

HAKUSHU 18 YEAR OLD 35

To maintain the highest standards of quality, the master blender releases only a limited amount of this 18 year old every year.

As the whisky ages, the ripe green fruits of the 12 year old evolve into stewed apple pie with herbaceous & floral hints to round out the flavour profile.

Stewed Apple / Daisy / White Chocolate
